EXCITING NEW SHOW ANNOUNCEMENTS FROM PABLO CENTER AT THE CONFLUENCE

EAU CLAIRE, WI: The Pablo Center at the Confluence is thrilled to announce an exciting lineup of events coming up in the next few months that promise to captivate, entertain, and inspire audiences of all ages. With a diverse variety of entertainment scheduled, there is something for everyone to enjoy at Pablo Center.

Below, please find the newest show announcement and on-sale details for these exciting new releases:

Musician in Residence [Coming June 9, 16, 23, and July 12, 2024] — Embedded within Pablo Center’s renowned performing arts venue is a brand new “Musician in Residence” program. This is a unique experience in Eau Claire for artists working in music, sound, composition, and voice. The “Musician in Residence” program gives artists time to develop new ideas, work on projects, expand collaborations, and explore their practice. Artist residencies are not uncommon in the music world at large, but are a rare model for Eau Claire specifically. That’s why Pablo Center in partnership with Farewell Transmission Radio, is excited to announce a first of its kind artist residency at the newly reimagined Robert Manz Gibson Street Entry with EC’s own S. Carey. Over three Sunday evenings in June and a final Friday performance in July, S. Carey will be joined by friends local & not-so-local to perform takes on the S. Carey discography alongside more improvisational explorations. Each of these four shows will be wholly unique featuring different setlists played with different guest musicians, and it’s all taking place in the area’s newest ALL AGES listening room, the Robert Manz Gibson Street Entry. All four of these shows will be open to the public —\$15 requested donation OR free to attend with Pablo Center membership. Intimate setting with limited seating, reserve your seat today if you’re a member!

We Are the Willows (solo) & The Nunnery [Coming June 14, 2024] — The Nunnery begins with one voice, layered upon itself becoming a lush soundscape. Sarah Elstran is an independent musician that bridges the gap between bright-eyed pop composition and hands-on atmospheric live layering of voice. Her vocal loops give us the kind of detail and wide multi-octave range that we might come to expect from a marquee pop star, while her production decisions continually keep us guessing as to what rabbit holes her tracks might fall into next. This show will be \$15 suggested cash donation to the artist at the door or free for Pablo Center members. Public on-sale starting Friday, May 17 at 10 AM.

Addams Family [Coming February 7, 2024] — A comical feast that embraces the wackiness in every family, THE ADDAMS FAMILY is the magnificently macabre hit musical featuring everyone’s favorite creepy, kooky characters. Wednesday Addams, the ultimate princess of darkness, has

grown up and fallen in love with a sweet, smart young man from a respectable family. A man her parents have never met. And if that weren't upsetting enough, she confides in her father and begs him not to tell her mother. Now, Gomez Addams must do something he's never done before - keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's "normal" boyfriend and his parents. On the heels of Wednesday, the 3rd most-watched show on Netflix of all time, Big League Productions, Inc. presents THE ADDAMS FAMILY, a devilishly delightful musical comedy based on the bizarre and beloved characters by legendary cartoonist Charles Addams. Public on-sale starting Friday, May 17 at 10 AM.

Vampire Circus [Coming October 16, 2024] — Heralded as a mix of circus cabaret and theatre, The Vampire Circus is a mysterious, tantalizing, fun, dark, cutting-edge production guaranteed to amaze the senses. The Vampire Circus has been called a mix of circus cabaret and theater and is the result of a fusion of Tim Burton and Cirque Du Soleil. Enjoy a phenomenal night of live entertainment, based on the multidisciplinary skills of International performers showcasing theater, dance, and gymnastics. This amazing show pushes the physical boundaries of human performance and leaves audiences amazed, astounded, and astonished. Mortal spectators will experience horrific feats of Cirque acrobatics, comical audience interactions, contortionists, jugglers, acrobats, and clowns. Tantalizing sounds, and mesmerizing illusions catapult audiences into an emotional roller-coaster of fear and joy, laughter, and wonder with raving cheers for a “Mad Graveyard Clown.” The 90-minute production is an immersive ride through the Underworld and Vampires. The Vampire Circus was inspired by the magical, captivating allure of legendary traveling carnivals — and a vision of Francisco Santos, CEO founder and Cirque Du Soleil veteran performer. Public on-sale starting Friday, May 17 at 10 AM.

The Silhouettes [Coming December 15, 2024] — Founded in 2009, The Silhouettes® -- first runner-up on America's Got Talent season 6 in 2011 and Golden Buzzer winners on America's Got Talent The Champions in 2020 – is America's premiere shadow-dance company created and directed by Lynne Waggoner-Patton.
