STEAM: Board Game Creation	Unleash your creativity and design your very own board game! Dive into the fundamentals of game mechanics—like player interactions, turn-taking, and victory conditions—using real games as inspiration, then bring your ideas to life by prototyping and testing your unique design! Note: This year's class will feature exciting updates and new activities compared to last year!	\$ 85.00	Pablo Center	Grades 7-9	Monday, June 9	Friday, June 13	9:00 AM	11:30 AM
LEGO Robotics: Beginner	Spend the week putting your STEAM skills to the test using the LEGO® SPIKE™ Prime set! In this program, students will work on the basics of designing, building, and programming a robot to accomplish a variety of challenges using motors, sensors, and other objects. Note: This year's class is identical to last year's with all the same great features!	\$ 75.00	Pablo Center	Grades 4-6	Monday, June 9	Friday, June 13	9:00 AM	11:30 AM
Theater Reader	Step into the spotlight with our Theatre Reader class, where scripts come alive and you become the star of the story! Unleash your creativity as you master character voices, bring unforgettable scenes to life, and boost your confidence alongside a dynamic group of performers. NEW!	\$ 75.00	Pablo Center	Grades 7-10	Monday, June 9	Friday, June 13	1:00 PM	3:30 PM
STEAM: Basic Physics Machines	Build Rube Goldberg machines using basic machines to complete a simple task in a complex way. Learn about simple machines and physics then present your creation to the class.	\$ 85.00	Pablo Center	Grades 4-6	Monday, June 9	Friday, June 13	1:00 PM	3:30 PM
Program Name	Description	Cost	Location	Grade Level (Entering)	Start Date	End Date	Start Time	End Time
Rhythm, Dance, and Creativity	Get ready to move, groove, and create in this dynamic, hands-on interactive class! Participants will experiment with instruments and learn the basics of rhythm and beat-making, discover dance styles from around the world, and work in teams to blend music and dance, culminating in a final performance. NEW!	\$ 85.00	Pablo Center	Grades 4-6	Monday, June 16	Friday, June 20	9:00 AM	11:30 AM
Revolution and Rhythm: Lin-Manuel Miranda's Impact on Modern Theatre	Explore Lin-Manuel Miranda's revolutionary blend of hip-hop, Latin rhythms, and Broadway through Hamilton and In the Heights, examining his impact on storytelling, history, and representation. Dive into his lyrical genius and discover how his work continues to reshape modern theatre. Participate in fun activities based on the topics covered. NEW!*	\$ 75.00	Pablo Center	Grades 7-9	Monday, June 16	Friday, June 20	9:00 AM	11:30 AM

LEGO Robotics: Beginner	Spend the week putting your STEAM skills to the test using the LEGO® SPIKE™ Prime set! In this program, students will work on the basics of designing, building, and programming a robot to accomplish a variety of challenges using motors, sensors, and other objects. Note: This year's class is identical to last year's with all the same great features!	\$ 75.00	Pablo Center	Grades 7-9	Monday, June 16	Friday, June 20	1:00 PM	3:30 PM
Art Camp	Spend the week developing your art skills. From drawing and painting to computer design, 3D printing, and digital storytelling we will look at several methods and materials.	\$ 85.00	Pablo Center	Grades 4-6	Monday, June 16	Friday, June 20	1:00 PM	3:30 PM

Rhythm, Dance, and Creativity	Get ready to move, groove, and create in this dynamic, hands-on interactive class! Participants will experiment with instruments and learn the basics of rhythm and beat-making, discover dance styles from around the world, and work in teams to blend music and dance, culminating in a final performance. NEW!	\$ 85.00	Pablo Center	Grades 4-6	Monday, June 23	Friday, June 27	9:00 AM	11:30 AM
LEGO Robotics: Intermediate 1	Spend the week putting your STEAM skills to the test using LEGO® SPIKE™ Prime! In this program, students will work together to build and code robots and learn how autonomous vehicles work. Some basic experience with LEGO and/or programming is recommended, but not required. Note: This year's class is identical to last year's with all the same great features!	\$ 75.00	Pablo Center	Grades 4-6	Monday, June 23	Friday, June 27	9:00 AM	11:30 AM
LEGO Robotics: Intermediate 2	Spend the week putting your STEAM skills to the test using LEGO® SPIKE™ Prime! In this program, students will work together to build and code robots and learn how factory automation works. Some basic experience with LEGO and/or programming is recommended, but not required. Note: This year's class is identical to last year's with all the same great features!	\$ 75.00	Pablo Center	Grades 7-9	Monday, June 23	Friday, June 27	1:00 PM	3:30 PM
Arty Party	Explore your love of the arts with us. Each day we will pick a new theme and create a multidisciplinary project surrounding it - this class will combine theatre, dance, music, visual art, and more...and you're sure to love it!	\$ 85.00	Pablo Center	Grades 3-6	Monday, June 23	Friday, June 27	1:00 PM	3:30 PM
Program Name	Description	Cost	Location	Grade Level (Entering)	Start Date	End Date	Start Time	End Time
STEAM: Digital Photography	Discover the art of photography using—your iPad! In this hands-on class, you'll learn how to capture and edit photos, and experiment with creative techniques such as angles, lighting, and filters. This beginner course will inspire your visual storytelling. NEW!	\$ 85.00	Pablo Center	Grades 7-9	Monday, July 7	Friday, July 11	9:00 AM	11:30 AM

LEGO Robotics: Intermediate 1	Spend the week putting your STEAM skills to the test using LEGO® SPIKE™ Prime! In this program, students will work together to build and code robots and learn how factory automation works. Some basic experience with LEGO and/or programming is recommended, but not required. Note: This year's class is identical to last year's with all the same great features!	\$ 75.00	Pablo Center	Grades 7-9	Monday, July 7	Friday, July 11	1:00 PM	3:30 PM
WordPlay	Words can express meaning in many different ways. In this program, use your imagination and creativity to make poetry, spoken word pieces, or anything involving words!	\$ 75.00	Pablo Center	Grades 5-8	Monday, July 7	Friday, July 11	1:00 PM	3:30 PM
Program Name	Description	Cost	Location	Grade Level (Entering)	Start Date	End Date	Start Time	End Time
Art Camp	Spend the week developing your art skills. From drawing and painting to computer design, 3D printing, and digital storytelling we will look at several methods and materials.	\$ 85.00	Pablo Center	Grades 7-9	Monday, July 14	Friday, July 18	9:00 AM	11:30 AM
LEGO Storytelling: Creativity and Code	Students combine the art of storytelling with hands-on creativity and programming skills. Using LEGO Creator 3-in-1 animal kits, students build and bring characters to life by weaving them into imaginative stories using basic coding concepts. NEW!	\$ 85.00	Pablo Center	Grades 4-6	Monday, July 14	Friday, July 18	9:00 AM	11:30 AM
Coding	Get ready for an epic adventure as you code a new XRP robot to move and race through thrilling challenges! With every line of code, you'll unlock new powers to control your robot and bring your creative ideas to life in a fun, action-packed way! NOTE: This year's class will feature exciting updates and new activities compared to last year!	\$ 75.00	Pablo Center	Grades 5-8	Monday, July 14	Friday, July 18	1:00 PM	3:30 PM
STEAM: The Science of Color and Light	Dive into the world of color theory for stage lighting, where you'll explore concepts like additive color mixing, color temperature, and clever lighting design tricks. Put your knowledge to the test, experimenting with different techniques to create vibrant, dynamic lighting effects that bring performances to life! NOTE: This year's class will feature exciting updates and new activities compared to last year!	\$ 75.00	Pablo Center	Grades 7-10	Monday, July 14	Friday, July 18	1:00 PM	3:30 PM
Program Name	Description	Cost	Location	Grade Level (Entering)	Start Date	End Date	Start Time	End Time

Fractured Fairy Tales	A class where storytelling, acting, and creativity come together! What if Dorothy went to Wonderland and Alice to Oz? What if Snow White and Sleeping Beauty started an energy drink brand to combat their sleepiness? Who would win a sporting competition - the three blind mice or Goldilocks' three bears? Participants will discuss fairy tale themes and structure and write and perform their own wacky versions of popular fairy tales and children's stories.	\$ 85.00	Pablo Center	Grades 3-6	Monday, July 21	Friday, July 25	9:00 AM	11:30 AM
FLL Readiness	Learn what it is like to be on a FIRST LEGO League (FLL) team. During a fast-paced week, students will work in small groups on robot game challenges and small innovation projects like FLL teams develop each season. The week will round out with mock competitions to showcase team accomplishments. Previous experience with LEGO® MINDSTORMS® or LEGO® SPIKE™ highly recommended.	\$ 75.00	Pablo Center	Grades 6-8	Monday, July 21	Friday, July 25	9:00 AM	11:30 AM
STEAM: Audio Engineer Beginner	Take your first steps into the world of sound engineering in this hands-on recording studio class! Learn to mix audio, master microphone techniques, and discover how a professional studio operates as you experiment with real equipment to create high-quality sound recordings. NOTE: This year's class will feature exciting updates and new activities compared to last year!	\$ 75.00	Pablo Center	Grades 7-10	Monday, July 21	Friday, July 25	1:00 PM	3:30 PM
STEAM: Dungeons, Dragons & Design	Bring your game to life! Dive into the art of painting D&D miniatures with hands-on techniques that bring characters to life. Along the way, explore the rich history of the game and the fascinating stories behind its evolution into a global phenomenon. NEW!	\$ 85.00	Pablo Center	Grades 7-9	Monday, July 21	Friday, July 25	1:00 PM	3:30 PM
